Profile

Carol Gregor Lüthi has around 15 years of experience in national and international tax. His career path commenced in the field of public administration where he gathered 10 years of professional experience in all areas of public law and various areas of private law. Carol later worked as a tax advisor for Ernst & Young in Zurich for around ten years. In 2018 he joined Tax Partner AG as an advisor with focus on individual taxation. Carol has published articles and books on national and international taxation.
